Dear Sponsor,

Kids Against Hunger-Illinois is preparing for a record breaking year of feeding children around the world and around the corner. In 2023, our facility will pack its five millionth meal and we would love if you were part of this celebration year.

We are currently preparing for our 9th Annual Race To Stop Hunger 5k. The event will be held on Saturday, August 12, 2023 at the old Indian Lakes Golf Course, 250 W. Schick Rd. Bloomingdale, IL. 100% of race proceeds will assist in feeding children.

We are contacting you, as a local business, to form a partnership. Sponsoring these wonderful events is an opportunity to educate the community about your business and your commitment to helping the hungry children locally and around the world. Our website, newsletter, packing site and social media channels will reach over 5,000 people in local communities.

Kids Against Hunger-Illinois satellite focuses on local Illinois families and Nicaragua. We recently sent meals to Turkey and Ukraine in addition to our normal focus locations. As a local charity, we have packed over 4.8 million meals since we opened in 2007. We are a non-profit, volunteer driven, locally funded organization that packages dry, highly nutritious food for these children and their families. We work with over 49 more satellite volunteer teams to deliver over 50 million meals each year for hungry people in over 40 different countries.

In addition to our Race To Stop Hunger sponsorship marketing benefits, our sustaining Sponsorship packages include year round marketing opportunities for your enterprise. I would be pleased to meet with you and to talk about these opportunities with you. Don't miss this extraordinary opportunity to be a part of these community events and to support Kids Against Hunger and our mission in feeding families around the world and around the corner.

Please consider sponsoring and supporting the work of Kids Against Hunger- Illinois.

Enclosed are the sponsorship opportunities, benefits and donation process for your review.
